INMANN DYNASTIE

1904 Company founded by Anton Inmann, followed by Ludwig Inmann, then Horst Inmann and now Marco Inmann....for more than 100 years, the Inmanns have held a leading position in the industry.

"Hairdresser - Elite": the members of this association must belong to the best professionally as well as entrepreneurially in order to be able to become a member.

However, this assessment is not left to chance or sympathy.

In addition to the evaluation of colleagues and industry partners, who after all know the industry, all Intercoiffure salons are continuously and anonymously tested several times a year!

The Intercoiffure star is thus a seal of quality similar to the toques in restaurants.
